Darcy,

I thought you might be interested in seeing the talking points on CFAC which Cynthia Peterson and I prepared for the RA and Suzanne circulated to the ECEJ leadership team. I'm also attaching the RA briefing paper, which was favorably received by both Suzanne and Shaun.

All –

Managers and staff have asked me what I am looking for when I request talking points for the RA, DRA, or me. Attached is an excellent example of talking points prepared by Mark Chalfant for Shaun's upcoming meetings in Montana.

Subject: Draft Supplemental Talking Points for RA--Columbia Falls

Julie,

Attached please find draft talking points to supplement what was previously provided to Shaun McGrath as part of the Montana state mid-year package. This is in response to Shaun's request for additional talking points for his upcoming meetings with Governor Bullock and MDEQ Director Livers.

This draft has been vetted with Mike, Rob, and Cynthia. I will be in a class in the conference center until 4PM today. If you need to reach me before 4PM, please call me on my cell at 720-339-6381. After 4PM, I will be back at my desk at 303-312-6177.

Thank you.
